

2025 D5 Rendezvous and Council - Smith Mountain Lake, Virginia
July 14-20, 2025

Plans are coming together for our Summer Cruise and Council on Smith Mountain Lake. The general structure will be cruising the lake on board houseboats starting on Monday 14 July and returning 17 July. We will then move to our meeting location ashore at Mariner's Landing in Huddleston, Va.

Additional details for the events are being developed and will be available soon. In the meantime, **It's important to reserve Boats for the first part of the week and Lodging for the later half of the week now.** Availability should be good through year end, after that, reservations will be more challenging.

For boats, go to:
